Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Wednesday 26 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Evening showers dying out then mainly fine.

This Evening and Tonight:
Showers easing by early evening to leave a predominantly cloudy and mostly dry night. A few clear spells will develop inland. Milder temperatures near the coast. Minimum temperature 5 deg C (41 deg F).

Thursday:
After a cloudy start for many areas it will brighten through the morning with sunny spells for most areas. Light showers might develop for the afternoon. Feeling warmer than recently. Maximum temperature 17 deg C (63 deg F).

Outlook for Friday to Sunday:
On Friday some showery rain is possible, mainly at first, otherwise remaining fine. The weekend will be dry, bright and feeling warm but a chance of afternoon showers, possibly heavy.
